PORTOBAY LIBERDADE

Located in the heart of the Portuguese capital, next to Avenida da Liberdade on Rua Rosa Araújo, the design of architect Frederico Valsassina preserves the historical façade of the early 20th-century Lisbon manor in a dialogue between the old and the contemporary. The environment and décor evoke details from the past, with the constant elements of old wood and marble.

This charming boutique hotel, with features of a resort in an urban setting, offers comfort, timelessness, hospitality and the well-known service of PortoBay Hotels & Resorts. A bright spotlight joining the spectacular, well-known natural city lights of Lisbon !!
