THE RESIDENCE

With an innovative concept, the Vila Porto Mare Resort in Funchal offers facilities common to three outlets – Suite Hotel Eden Mar, Porto Mare and The Residence. The identity of each outlet is guaranteed by means of separate receptions and distinct room/apartment types.

Located right next to Funchal's sea-front promenade and close to the shops, The Residence occupies the west wing of the resort. This outlet offers a wide selection of carefully furnished apartments, completely equipped and decorated with a touch of exoticism. At The Residence the view over the ocean combined with the surrounding gardens confer a real sense of community.
